

Equality Objectives

Patterdale C of E Primary School's governing body has considered the general duties required in the Equality Act 2010 to:

- Eliminate unlawful discrimination
- Advance equality of opportunity
- Foster good relations

and has identified two key objectives to enable our school to meet these duties:

1. To reduce prejudice and increase understanding of equality through direct teaching across the curriculum.
2. To promote cultural development and understanding through a rich range of experiences both in and beyond the school.

These objectives will contribute to development priorities in the School Improvement Plan and progress towards achieving them will be monitored and reviewed every year. In line with legislation, the objectives will be re-published formally, at least every 4 years.
