

Patterdale C of E Primary School
Pupil Premium Information 2016-17

Allocations

In 2016/17 we received £3,960

Expenditure

The 2016/17 funding was used to:

- Maintain levels of support in the KS1 and KS2 classes so that 1:1 intervention in reading, writing and mathematics skills can continue
- Ensure access to school visits by subsidising the full cost for eligible pupils
- Support the updating of KS1 and KS2 mathematics and spelling materials to be used by eligible pupils

The measures we have put in place have been chosen to accelerate progress in Mathematics and English.
